

The Trial of Jesus before the Sanhedrin

The 22 points that the trail of Jesus violates thus rendering it illogical and NEVER would have happened as the Gospel s describe:

Laws of the Sanhedrin Regarding Trials:

1. There was to be no arrest by religious authorities that was effected by a bribe Ex. 23:8
2. There were to be no steps of criminal proceedings after sunset.
3. Judges or Sanhedrin members were not allowed to participate in the arrest.
4. There were to be no trials before the morning sacrifice.
5. There were to be no secret trials, only public.
6. Sanhedrin trials could only be conducted in the Hall of Judgment of the Temple Compound.
7. The procedure was to be first the defense and then the accusation.
8. All may agree in favor of acquittal, but all may not argue in favor of conviction.
9. There were to be two or three witness and their testimony had to agree in every detail. Deu. [19:15](#).
10. There was to be no allowance for the accused to testify against himself.
11. The High Priest was forbidden to rent his garments. Leviticus [21:10](#)
12. Charges could not originate with the judges; they could only investigate charges brought to them.
13. The accusation of blasphemy was only valid if the name, of G-d, itself was pronounced (and heard by 2 witnesses).
14. A person could not be condemned on the basis of his own words alone.
15. The verdict could not be announced at night, only in the daytime.
16. In cases of capital punishment, the trial and guilty verdict could not occur at the same time but must be separated by at least 24 hours.
17. Voting for he death penalty had to be done by individual count beginning with the youngest so the young would not be influenced by the elders.
18. A unanimous decision for guilt shows innocence since it is impossible for 23-71 men to agree without plotting.
19. The sentence could only be pronounced three days after the guilty verdict.
20. Judges were to be humane and kind.
21. A person condemned to death was not to be scourged or beaten beforehand.
22. No trials are allowed on the eve of the Sabbath or on a feast day.

As Chaim H. Cohn (at that time justice of the supreme Court of Israel) wrote in his Reflections on the Trial and death of Jesus: "Such wholesale violation of all the rules of law and procedure is not only highly improbable, but, in view of the rigorous and formalistic exactitude for which the Pharisees were notorious, rather inconceivable."
